GOVERNMENT PRINTING OFFICE

ACT OF MAY 1, 1920

Under the provisions of the Act of May 1, 1920, the widow of any person who served in the Army, Navy, or Marine Corps during the Civil War for ninety days or more, and was honorably discharged, or regardless of the length of service was discharged for or died in service of a disability incurred in the service in line of duty, may be entitled to pension, without regard to her financial condition, provided she was married to him prior to June 27, 1905. The rate of pension is $30 per month, and $6 additional for each of his children under the age of 16 years. Pension commences from the date of filing a valid declaration in the bureau.

The act of July 3, 1926, increases the rate to $50 per month only in the event that the widow was the wife of the soldier, sailor, or marine during the period of his service in the Civil War.

"That no claim agent or attorney or other person shall be recognized in the adjustment of claims under this Act, except in claims for original pension, and in such cases no more than the sum of $10 shall be allowed for services in preparing, presenting, or prosecuting any such claim, which sum shall be payable only on the order of the Commissioner of Pensions; and any person who shall violate any of the provisions of this section, or shall wrongfully withhold from the pensioner or claimant the whole or any part of a pension allowed or due to such pensioner or claimant under this Act, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall, for each and every offense, be fined not exceeding $500 or be imprisoned not exceeding one year, or both, in the discretion of the court."

Under the law, a person may not receive pension from the Bureau of Pensions and compensation or vocational training pay through the United States Veterans' Bureau, covering the same period of time, except that the receipt of compensation by a widow, child, or parent on account of the death of any person will not bar the payment of pension on account of the death of any other person.

That part of the declaration referring to service between April 6, 1917, and July 2, 1921, should show whether the claimant or any member of her family rendered any service in the Army, Navy, Marine Corps, or Coast Guard of the United States during said period, and if so, the full name under which each served should be stated, together with the designation of the organization in (or the vessel on) which such service was rendered with dates of enlistment and discharge.

Cause of disability. Rheumatism. Stiffness of joints, Aching pulse, headache, bleeding nose, barking cough, Lung disease, loss of teeth, Crooked little finger, Left knee & Gunshot He receives a pension of none dollars per month.

Here give the claimant's statement (as briefly and as compactly as possible) in regard to the date of origin and cause of his disabilities and the manner in which they affect him. He makes the following statement in regard to the origin of his disabilities and date when first discovered by him: At times I have a catch in my back & stiffness of left shoulder & knee. Piles came down & itch & terrible hemorrage. have bleeding of nose every time I cough or sneeze, have pain in my left lung. have lost most of my teeth. my little finger is crooked by injury.

The outlines of the human skeleton and figure upon the back of this certificate should be used to indicate precisely the location of a disease or injury, the entrance and exit of a missile, an amputation, etc.

Birthplace, Salem Co Del; age, 57 years; height, 5' 10; weight, 155 pounds; complexion, Fair; color of eyes, Blue; color of hair, Dark; occupation, Farmer; permanent marks and scars other than those described below, none

We hereby certify that upon examination we find the following objective conditions:

Pulse rate, 72 74 76 [Sitting, standing, after exercise.]; respiration, 18 18 20 [Sitting, standing, after exercise.]; temperature, 98 4/5;

Here give a full description of the disabilities, in accordance with Book of Instructions. We do not find any objective symptoms of rheumatism. No thickening or enlargment of any muscle, joint or tendon. No crepitus in any joint. Apex beat of heart normal. Sounds & rythm perfect. No oedema and no dyspnoea.

Facts within the knowledge of the Board, or any member thereof, relative to the cause of any disability found should be stated. Whenever a disability is shown or is believed to be due to or aggravated by vicious habits the opinion of the board must be stated. When not due to such habits this fact must be stated. We find instead of piles a fistula extending 3½ inches up along side the bowel. Hamorrhoidal vessels are in a fairly normal condition. Mucous membrane of rectum seems to be slightly thickened and congested, but the staining of the clothing is due to the fistula.

We do not find any disturbance of the nervous system. No tenderness along spine. Reflexes are normal. Pupils are of equal size & respond promptly to light & shade. Respiratory murmur clear and distinct over both lungs. Mensuration at rest 37 inches. Full inspiration 40. Forced respiration 36¼.

Teeth are all gone, but there is no apparent reason why claimant should not wear an artificial set.

When rates are recommended solely on subjective evidence the strongest reasons must be given therefor. We find the little finger of the left hand completely flexed upon the palm. Due to a covering of the flexor tendon. The palmar fascia is also contracted. We think this could be corrected in a large degree by an operation. We think Claimant is so disabled from fistula and injury to finger of left hand, to entitle him to the $6 per mon.

No vicious habits
